Creme Anglaise 12 x 1L, Reference: 10000154, Batch Number: 102597, Original Expiry Date: 13/01/2021

Dear **Elsie**,

Further to your enquiry regarding the shelf life of **Creme Anglaise 12 x 1L**, we are pleased to be able to accommodate your request. We would recommend an extension until **13/03/2021**. This decision is solely based on evaluation of our reference sample (held under recommended storage conditions) and assessed against our standard QC methods.

However, please note that this is **not** a guarantee of extended shelf life; Macphie cannot accept any liability as we have no control over your storage conditions and product application, and as always, we recommend that you carry out your own trials to ascertain the suitability of the product and overall 'fitness for purpose'.

Should you require any further information with regards to this request; please do not hesitate to contact me.

Yours Sincerely,

Stephanie Bell
